# LETTER TO OUR COMMUNITY

## *Dear Friends,*

It seems not so long ago (2013, in fact) that we were both beginning new assignments at WCCF: Steve as President of the Board, and Sally as Executive Director. The past seven years have passed quickly – even this most recent year which was, indeed, “a year like no other” as the entire Wayne County community dealt with the restraints of the COVID-19 pandemic. We are glad to report that the work of your Community Foundation continued, with grants made, scholarships awarded, campaigns facilitated, and new funds established.

Over the past seven years, the assets of the Foundation have grown from \$50 million to over \$100 million dollars. This did not happen by accident. Our partnerships with other foundations and non-profit agencies have been enhanced; and our outreach to the community has been broadened. Our collaboration with financial advisors and attorneys in the community, who have a front row seat to the estate planning process, will continue to be a cornerstone of our success. The \$100 million mark is a milestone for our Foundation and one that we have discussed many times over the course of our collaboration.

This remarkable progress is made possible because Wayne County citizens really care about this community, and they express that caring and concern for others in tangible ways. We want to take this opportunity – since we won’t be together at our Annual Dinner this year – to thank everyone who has supported the Foundation with their gifts and their time as volunteers, going “over and above” to fulfill their commitment to improving the quality of life for all. Your participation in the life of WCCF has made a lasting impact, and your continuing involvement is the key to our future.

As Steve steps down as President and Mark Able begins his term, we are confident that Mark will provide outstanding leadership, and that WCCF will continue to grow and to expand its role as a catalyst for effective philanthropy in Wayne County.

*Sincerely, and with gratitude,*

# A MESSAGE FROM INCOMING BOARD PRESIDENT

*Dear Friends,*

As a Trustee of WCCF since 2006, I've had the opportunity to see the difference the Foundation makes to the quality of life in communities throughout Wayne County.

As an Orrville native and businessperson, I'm glad to know that the inspiration for establishing WCCF in 1978 came from another Orrville businessman, Bill Baer of the Will-Burt Company. Bill's gift of \$1,000 "to benefit the citizens of Wayne County" became the cornerstone of today's Wayne County Community Foundation. That first gift demonstrates that generous individuals, whether the gift is large or small, can create great blessings in the future of our community.

It's an honor for me to serve as President of WCCF. We are fortunate to have strong community support and excellent financial management. I look forward to building on all that has been achieved over the past 42 years, and I give special thanks to past Presidents J.C. Johnston III and Steve Matthew, as well as the talented staff at WCCF, who have been pivotal to the remarkable long-term growth of the Foundation.

We have been, and continue to be, challenged by Covid-19, but together, we will persevere in the face of adversity to serve our county. I am excited to be working with you to create the next chapter in WCCF's history. Thank you for your continuing confidence in the Foundation. Your trust is our greatest asset.

Sincerely,

**Mark Auble**  
Incoming President,  
Board of Trustees

# YOUR INVITATION TO PHILANTHROPY

## *We're here for you*

We're here to help you benefit the charitable causes you're most passionate about. As your partner in philanthropy, we understand that every donor has individual needs and wishes. We will work with you individually and personalize our service to ensure that your philanthropy is effective, personal, meaningful, and fulfilling. You can:

### **Contribute to an Existing Fund**

We'll work with you to ensure that your gift benefits the charitable priorities you're passionate about.

### **Create Your Own Fund**

Our goal is to help you establish the fund that will enable you to fulfill your philanthropic purpose.

### **Leave Your Mark**

Including Wayne County Community Foundation in your estate plan is an easy way to make a long-lasting, meaningful, and significant impact on the community around you.

## *Create a Fund*

Establishing a fund at Wayne County Community Foundation is an easy and effective way to invest in your community. Listed below are the types of funds available to our donors:

- **Community Funds** – most flexible fund to meet the changing needs of our community.
- **Field of Interest Funds** – support your particular areas of interest.
- **Donor or Corporate Advised Funds** – allow donors to recommend grants to causes that they care about.
- **Scholarship Funds** – support our local students with grants to pursue post-secondary education.
- **Designated Funds** – provide annual grants in perpetuity for one or more organizations of your choice.
- **Agency Funds** – created by charitable organizations to benefit the mission of the organization now and in the future.

We make it easy to establish a charitable fund that meets your personal needs. You sign a simple fund agreement and make your gift to open the fund. Most funds may be opened with a minimum gift of \$10,000; to open a new scholarship, the minimum is \$20,000. Your fund may be created with a current gift, or through a bequest. Our professional staff is ready to meet with you to talk about your goals, and create a plan that matches your charitable interests and financial situation. Whatever your philanthropic goals, we have the flexibility and tools to help you reach them.

*Each of our fund types may begin as an Acorn Fund.*

*With their significantly lower minimums, these funds allow for younger families or seniors on fixed incomes to establish legacies on an installment basis. To learn more about establishing your fund at Wayne County Community Foundation, please call 330.262.3877 or email [wccf@sssnet.com](mailto:wccf@sssnet.com).*

## *Sally Bernhardt's Legacy Lives On*

Sally Bernhardt loved this community and contributed to it all her life. Born and raised in Wooster, Sally graduated from The College of Wooster in 1950. She taught English at Waynedale High School from the 1960s to the 1980s. After retiring from teaching, Sally devoted her time and energy to numerous civic organizations that serve the residents of Wayne County. Most recently, Sally was a founding member of The Women's Fund, an affiliate Fund of the Foundation. Through a bequest, Sally established several Designated Funds to further her charitable legacy: Sally Bernhardt Fund for the Wayne County Historical Society, Sally Bernhardt Fund for the Wayne County Humane Society, Sally Bernhardt Fund for OneEighty, Inc., and The Women's Fund.

# COMMUNITY FUNDS

*Needs and opportunities change – and YOUR generosity grows over time.*

Community Funds support organizations and initiatives through the twice-yearly competitive grants process. The Foundation thoroughly examines the nonprofit applicants to understand the need and capacity of the program before distributing funds. The flexibility of your unrestricted gift enables your Community Foundation’s Board of Trustees to respond to the community’s most pressing needs, today and tomorrow.

## What are the benefits of a Community Fund?

Many people choose to create an unrestricted fund to support the community they love.

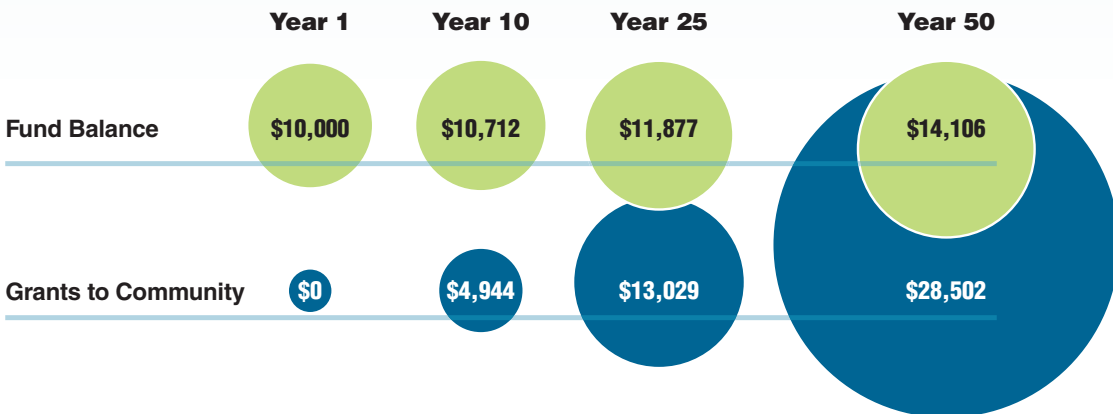

- It is a long-term fund created for long-term impact.
- It addresses changing needs and opportunities.
- Your money stays in your community and is used to make grants, when and where they are needed most.
- You may establish your Fund with a gift today, or through a bequest.
- You, or others, can add to the Fund you have established at any time, receiving tax benefits with each new gift.

# THE POWER OF ENDOWMENT

*Supporting your community for generations to come.*

At the heart of the mission of the Foundation is building endowment to secure the future of Wayne County. We understand the power of permanence. We believe that it’s the key to ensuring that our community’s future will be even brighter than its past. When you create a charitable fund through the Foundation, you can benefit the community forever with a permanent endowment.

The graphic below shows that your endowment gift will grow over time, while still providing grants to the causes you care about.

Assumes an initial gift of \$10,000, 6.5% ROI, 1% administrative fee, and 4.5% grant payout each year. This example is not a guarantee of return on investment.

# LEGACY GIVING

*You can support the charitable causes that are most meaningful to you even after your lifetime. A legacy gift can be an inspiration to your loved ones and your community. It will also maintain and strengthen WCCF for whatever the future may hold.*

*Wayne County Community Foundation can help you create a legacy gift that will support the well-being of the community you care about for many years to come.*

## *What are the different ways to create your legacy?*

A legacy gift with the Wayne County Community Foundation (WCCF) enables you to dedicate financial resources to your favorite charities or causes, and to do so in a way that fits your lifestyle, goals, and your family's financial situation. You can even create a permanent gift to charity that will also provide an income stream to you or your loved ones, often with tax benefits for you and your family. These life income gifts benefit you today, and ultimately WCCF.

### **Retirement Plans**

Naming WCCF as a beneficiary of your IRA, 401k or 403b is a simple way to support the community while avoiding significant (often unanticipated) taxes.

### **Outright Bequests**

You can make a bequest by including specific language in your will or living trust naming WCCF as the recipient of a testamentary gift. Your bequest can create a Fund in your name to benefit causes you select. (See "focus" question on left of page for details.)

### **Charitable Gift Annuity**

You can make a gift to benefit the community while receiving fixed payments for the life of one or two beneficiaries (of similar age), regardless of the economic climate.

### **Charitable Trust**

Giving through a trust provides financial benefits to you or a loved one, as well as the community.

### **Life Insurance**

Including WCCF as a beneficiary of a life insurance policy, or assigning policy ownership to WCCF, can leverage small premium payments into significant community benefit.

## *Can I focus my philanthropy?*

Absolutely yes! Because philanthropy is intensely personal, it's important to match your desire to give with a community need that "speaks to you."

Your planned gift with WCCF can create a Field of Interest Fund that will allow WCCF to give grants in the area you most care about. Or you can design a Designated Fund that will benefit one or more of your favorite nonprofits. If you want to make a difference in the lives of students, you can establish a Scholarship Fund. You can also donate unrestricted gifts, known as Community Funds, which allow WCCF to respond with the most flexibility to emerging needs in our community.

# LEGACY SOCIETY

*Give to what matters...  
even 100 years from now.*

More than great wealth, philanthropy requires a generosity of spirit and the desire to improve the quality of life for others. When you remember your community, favorite cause, or beloved nonprofit organization in your will, you support what you treasure, forever. You can tell us how you wish your gift to be used, or leave an unrestricted bequest that will tackle community problems as they emerge.

Even a modest bequest will grow substantially under our stewardship within a few decades. At the same time, your generosity will generate ever-increasing grants to the cause or community you specify.

The Legacy Society recognizes individuals who have made plans to leave a gift to the community in partnership with the Foundation. This gift may be made through estate plans and written wills, or by naming the Foundation as a future beneficiary of a qualified retirement plan or IRA, insurance policy, remainder trust, Charitable Gift Annuity, or other similar planned gift.

We gratefully acknowledge all those who have plans to leave a WCCF legacy to the community. Please talk with your professional advisors and us to find out how easy it is to leave a lasting mark on what matters to you.

## *David M. Briggs* 1939-2020

*David Briggs embodied the true spirit of philanthropy. He was gracious and generous, a beloved leader and friend.*

He served the Foundation as a Trustee for 7 years, being named Trustee Emeritus in 2011. David's warmth and welcoming personality helped create a strong sense of community, while his investment expertise and strategic thinking helped guide the Foundation during the economic downturn of the early 2000s.

He generously dedicated his time, advice and knowledge while serving on a wide variety of nonprofit boards. In addition to these formal capacities,

David quietly helped with many other community causes, often behind the scenes, and provided counsel to various community leaders.

As a Financial Advisor, Briggs served his clients in the areas of estate and financial planning; working tirelessly to assist them in achieving both their wealth and philanthropic goals.

He was guided by his strong faith, devotion to his family, and love of his country and community. He was widely known for his unfailingly positive attitude and ability to inspire others. His memory and dedication to others live on through the **David and Carol Briggs Community Fund**.

# WAYNE COUNTY EMERGENCY RESPONSE FUND

*Amidst the COVID-19 crisis, many local nonprofit organizations found themselves quickly expanding services to meet growing needs. Many have seen, or expect to see, significant disruptions to revenue because of social distancing. Several organizations face both challenges simultaneously.*

The Foundation, in conjunction with local private foundations, established and provided initial funding for the **Wayne County Emergency Response Fund** to make strategic investments that will help our nonprofit sector respond quickly and effectively to the health and economic needs of our community – including, but not limited to, food security, housing security, support for lost wages, and expanding access to medical services.

## Empowering Women in Wayne County

Through effective grant making, The Women's Fund has the potential to transform the lives of women for the better – improving their situations and making a lasting impact on their families and communities.

**The Village Network** received a \$16,000 grant for therapeutic yoga and mindfulness programs for female clients, ranging in age from 10 to 20 years. Adolescence is an important time for the development of mental health, including the mastery of healthy coping responses to stress. Studies have shown benefits of yoga in a wide range of mental and physical health problems, including a growing body of evidence showing positive effects in children and teens. The girls participating in the program received their own personal yoga mats and tools to ensure they can continue their practice after leaving The Village Network's care.

# MOTHER'S DAY INITIATIVE

The **Mother's Day Initiative** is an opportunity for everyone to honor the women who have made a lasting difference in their lives, while also making a difference in the lives of women and girls throughout Wayne County. A total of 233 women were honored or remembered at Mother's Day, with \$9,585 added to The Women's Fund permanent endowment. Gifts to The Women's Fund will generate dollars to award grants to non-profit organizations serving Wayne County women...for generations to come.

While donors may contribute to The Women's Fund at any time and for any reason, the sole annual fundraiser of The Women's Fund is its Mother's Day initiative. A beautifully designed Mother's Day card is sent to the honoree the week of Mother's Day. If the gift is made to honor the memory of a special woman, a card is sent to the family.

*GIVE 365 unites emerging philanthropists to make a collective impact on Wayne County, Ohio. With only a \$1 a day – or \$365 a year – pooled with gifts from other donors, members can join together to make a greater impact with their philanthropic dollars, while learning about the nonprofits who are making our communities better places to live and work. It also gives nonprofit organizations a way to demonstrate, to a captive audience, their impact and their potential.*

Major Madelaine Dwier poses in "The Living Room" at The Salvation Army.

This year's grant making focus for the Wayne County Community Foundation's GIVE 365 program was "Addressing the Needs of the Homeless Population in Wayne County". After reviewing grant applications, the group voted to award \$19,000 to **The Salvation Army** to establish a day center for those struggling with homelessness. Dubbed "The Living Room," the center will act as a hub where the homeless can go to get out of inclement weather, have a hot meal, access the internet, do their laundry, shower and have access to resources, like mental health, medical and substance abuse services. The program staff will also work to identify the barriers to permanent housing for individuals and assist them in finding resources to overcome them.

## *Philanthropists in the making.*

Wayne County Community Youth Foundation (WCCYF) provides a unique opportunity for high school students throughout Wayne County. This year, under the advisement of Deanna Troutman, 33 students representing 9 area high schools gained valuable leadership experience, while learning more about local charitable giving and how investments grow charitable funds.

The program highlights the essentials of community-based philanthropy including fundraising, and grant-making activities that provide funding for projects benefiting Wayne County youth. In addition to financial support, members of the Youth Foundation also work on teambuilding and leadership activities with other members and participate in community service projects, selected by them, to improve the quality of life in Wayne County.

This year, after reviewing grant applications, members voted to distribute \$3,000 in grants to two youth-oriented projects and programs:

**Adaptive Sports Program of Ohio**, \$2,000 grant to assist with the purchase of an additional enclosed trailer to support the Wooster Generals Wheelchair Basketball Team.

**The Village Network**, \$1,000 to develop a music therapy recording studio.

In addition, members participated in "The Souper Bowl of Caring", a nationwide initiative which empowers youth and unites communities to tackle hunger using the energy of the Super Bowl. During the event, members collected \$750.83, which they donated to **Viola Startzman Clinic** to purchase food for Blessing Boxes, a part of the Clinic's Food Pharmacy Program.

# Cassandra “Sandy” Biggs Memorial Scholarship

Sandy Biggs, 1974 graduate,  
Akron General Medical  
School of Nursing

*A graduate of Dalton High School and Akron General Medical Center School of Nursing, Cassandra “Sandy” Biggs was passionate about her career as a registered nurse. She cared for patients at hospitals and nursing homes in three states during a career cut short by breast cancer.*

After earning her nursing degree, Sandy worked for seven years as a nurse at Akron General Medical Center. A job transfer for her husband, Phil Pete, in 1983 took Sandy, along with their newborn son Mike, to San Francisco. She earned her California nursing certification and gave birth to a second son, Brian. A busy mother by day, she worked night shifts in a nursing home.

After four years on the West Coast, Phil and Sandy, along with their two active toddlers, a dog and two cats, packed into a van to drive to their new home near Tampa, Florida. Sandy lost no time obtaining her Florida nursing licensure and began working at Humana Hospital in Brandon. In 1994, Sandy was diagnosed with Stage 4 breast cancer, despite her practice of getting regular mammograms.

Following radiation, chemotherapy, and a bone marrow transplant, the cancer went into remission – allowing Sandy to return to the nursing job she loved. Unfortunately, the cancer returned in 1998, and her only treatment option was another bone marrow transplant – a lengthy, painful procedure with no guarantee of success. Sandy agreed to the transplant, telling her mother “If it keeps me alive for one more year, I’ll do it for my boys.” Little more than a year later, Sandy passed away – on February 19, 2000, just two weeks short of her 48th birthday.

Sandy’s mother, Katy Biggs, has established the **Cassandra “Sandy” Biggs Memorial Scholarship Fund** to honor Sandy’s memory. The award will be made annually to a Dalton High School graduating senior who plans to pursue a field of study in the medical, nursing, or health services professions. The award at Sandy’s alma mater has a special meaning; her father, Ned Biggs, was a teacher, coach and guidance counselor in Wayne County for three decades, most of that time at Dalton High School.

# Michael Burkholder

## “Coach Burk” Memorial Fund

---

*Teacher. Coach. Mentor. Friend. Whatever the role, one thing remained constant – Michael Burkholder was a truly genuine person who cared about his community and was an inspiration to those who knew him.*

Burkholder graduated from Waynedale High School, where he was an all-league football player, and from Ashland College. His first teaching job was in Northwest Ohio, but he returned to Wayne County in 1986 when he was hired to teach science for Orrville City Schools. He continued to teach until 2003 when he became the OHS Dean of Students. In 2005, Mike was named Principal for Northwestern High School.

In his 25-year career as a Track & Field Coach, Mike’s teams never had a losing season; his 226-32 lifetime record equates to an incredible 87.6 winning percentage. On the track, sporting his trademark green fluorescent hat, Mike guided the Red Riders to their first and only state track championship in 1999, as well as

winning various other titles during his tenure. While at Northwestern, he led the Husky Boys to the 2013 Wayne County Athletic League title.

He influenced young people as an administrator and coach for more than three decades. Then, as the 2017-2018 academic year began to wind down, the nightmare began. In April 2018, Mike began having occasional trouble swallowing. Tests showed a cancerous tumor in the esophagus. Despite various treatments, the spread of the cancer led to major surgery in February 2019. By early 2020, the cancer proved itself to be too aggressive for treatment. It was only then that Mike retired from his role as Principal. Having lost more than 150 pounds, he felt too weak to handle any more and entered care through Ohio’s LifeCare Hospice.

On May 15, 2020, at his home in West Salem, Michael Burkholder lost the hard-fought battle with Gastro-Esophageal Cancer. His wife, Becky, established the **Michael Burkholder “Coach Burk” Memorial Fund** to honor his memory. The Fund will support special projects honoring Coach Burk. The Orrville High School Track and Field will now bear his name, and a memorial at Northwestern High School will display the school’s Athletic Hall of Fame awards. Future plans include the creation of a scholarship in Coach Burk’s honor.

## Kidron Volunteer Fire Department Building Fund

*Roots for the Kidron Volunteer Fire Department (KVFD) can be traced back to the 1920's when local businessmen were concerned about the community's inability to battle potential fires. In response, stockholders set out to establish an early "department" by contributing \$10.00 to \$25.00 each. By July of 1925, the group purchased a used 6-man hand pump from the 1880's.*

The hand pumper pushed a small stream of water only about 50 feet and the men trained by pulling it around town by hand. Unfortunately, the first barn fire to which they responded resulted in the barn burning to the ground and the first attempt to establish a fire department went by the wayside.

It wasn't until 1948 – when another nearby barn burned down – that efforts to establish a fire department were renewed. This time, KVFD was successfully formed on March 26, 1951. Over the years, multiple additions have been made to the original structure, which is still in use today.

After nearly 70 years in the same facility, it is time for an upgrade. The current facility lacks space and storage, the modern fire apparatuses no longer fit in the building; spare hoses and equipment have to be housed in separate buildings. To address these issues, KVFD has undertaken a capital campaign for a new facility, to be built on its current site at the NE corner of Kidron and Emerson Roads.

To aid in their fundraising efforts, the organization established the **Kidron Volunteer Fire Department Building Fund** at the Foundation. The proposed cost of the project is \$2.6 million. The building will be about 14,800 square feet and feature four apparatus bays with overhead doors on each end to make it easy for vehicles to exit to each street. In addition to the bays, the station will feature a wash bay, a tower for a fire hose drying rack, office space, a large meeting room, sleeping quarters and an exercise room, as well as kitchen, laundry and locker room facilities.

# Charles Follis, “The Black Cyclone”

*Forty-three years before Jackie Robinson broke the color barrier for professional baseball, a young man from Wooster would become a trailblazer. He may not even have realized the significance of what he was doing at the time, because Charles Follis, the first African-American professional football player, simply wanted to play sports.*

Follis' parents, J. Henry and Cathryn, were former slaves from Virginia who moved their growing family to Wooster, Ohio in 1890. While a student at Wooster High School, Charles helped to organize and establish the school's first varsity football team in 1899. A popular young man, beloved by his teammates, he was named team captain. As the star halfback, he led the way to an undefeated season for the team.

After graduating high school, Follis enrolled at The College of Wooster (known at that time as University of Wooster). While a student there, he played football for the Wooster Athletic Association, an amateur football team, and earned the nickname “The Black Cyclone.” In

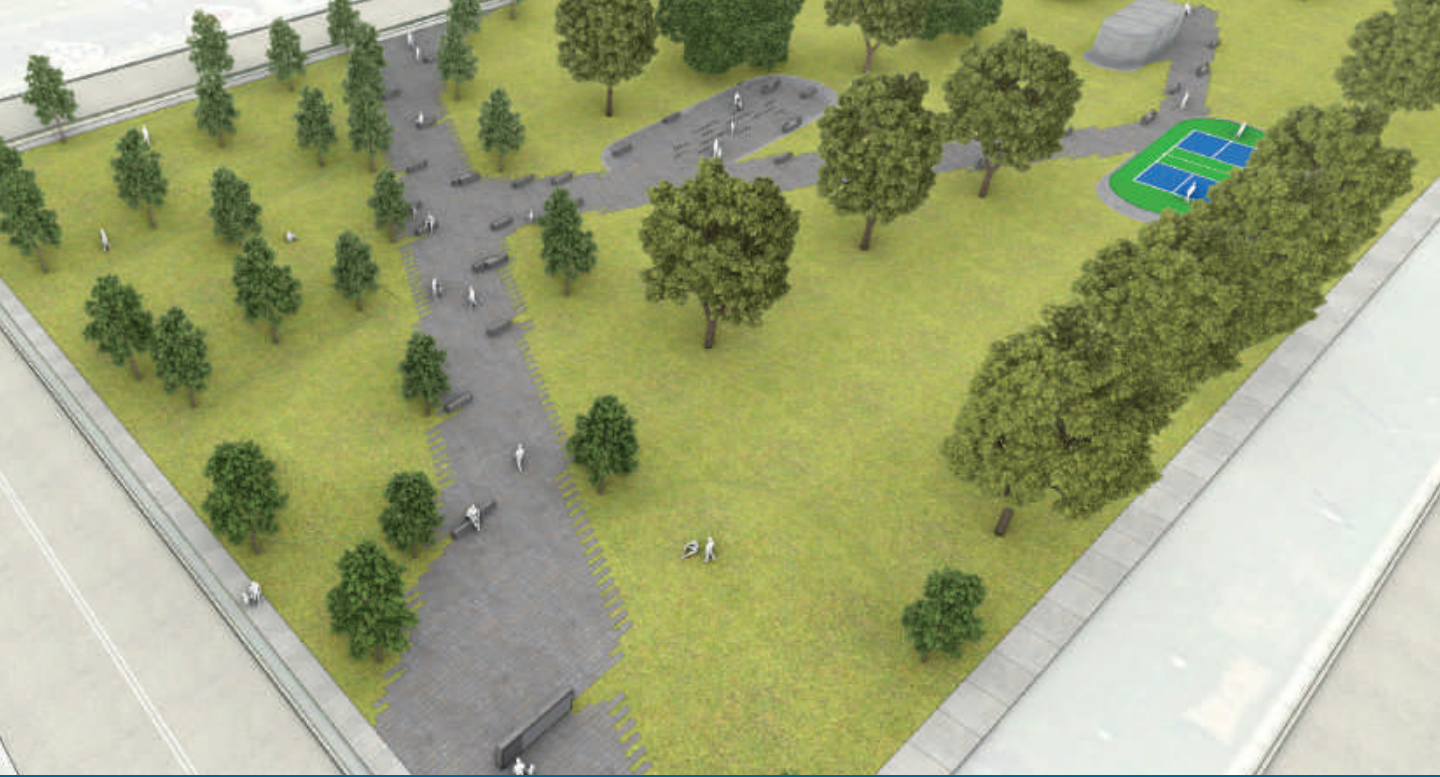

addition to football, Follis was quite a baseball player – playing for the Fighting Scots during the 1901 and 1902 seasons.

In 1904, Follis became the first African-American professional football player when he signed a contract with the Shelby Athletic Club. In addition, he went on to a brief career in professional baseball, playing for the Cuban Giants in New York. Follis passed away from pneumonia in 1910 at the age of 31.

While Follis never knew the magnitude of the impact he would have, his legacy is still standing strong and inspiring people today. In 1998, Wooster High School dedicated the football field in his honor; and The College of Wooster inducted Follis into their Athletic Hall of Fame in 2013.

A group of local individuals established the Charles Follis Committee to ensure his legacy is told and re-told for generations to come. They have established *The Charles Follis Fund* at the Foundation to aid in their efforts. In addition to a new gravestone, the Fund will create “The Black Cyclone Trail Project” that will cover sites in Wayne and Richland counties, and launch the Charles Follis Scholarship for African-American student-athletes in Wayne County.

## Orr Park Gateway

### *A lasting tribute to Orrville's founders*

*Established in 1985 by area business and community leaders, Orrville Development Foundation (ODF) works to promote and develop the City of Orrville. They recently adopted the phrase "Invest Orrville" as a call to action and to identify the organization's projects throughout the City – starting with a beautification project at Orr Park.*

In 2019, with the help of a corporate sponsor, ODF purchased the property adjacent to Orr Park, formerly Parkview Lanes. The former

bowling alley had been empty and had fallen into disrepair, becoming an eyesore. After demolition of the building, the area will be developed into green space as an attractive entryway to Orr Park and the Orrville City Schools campus. Wayne County Community Foundation awarded the project a grant from the **Carl E. Congdon, Jr. and Susanna Congdon McIntyre Memorial Fund** to assist with the construction of walkways, landscaping and entrance feature.

It is fitting that the grant for the project came from the Congdon Fund, as Carl Congdon was the great-great-great grandson of Judge Smith Orr, founder of the City of Orrville for whom the park is named. In addition, Carl's mother Maud and her sister, Charlotte Chamberlin, donated the initial 15-acres of park land.

Additional plans for the property include the construction of pickleball courts and a parking lot. Once completed, the three-acre property will be gifted to the City of Orrville as an addition to Orr Park. The City hopes to be able to add a spray park for children and restroom facilities in 2021.

Orrville resident Cody Rogers has been using the Rural Mobility Solutions program since early May to get to work at GOJO. He is pictured with Wooster Transit driver Margaret James.

# Rural Mobility Solutions

## Access to the Future

*The question of how to get to work has always been an issue for many of those living in the rural areas of Wayne County. Without public transportation, workers are often left with a job but no way to get there. And because of that, those without a personal vehicle are likely forced to resign from their position (or be unable to accept a job offer). That is all about to change, thanks to **Community Action Wayne/Medina (CAWM)**.*

CAWM implemented the “Rural Mobility Solutions - Access to the Future” pilot program to open workplace access for employees throughout Wayne County. While the majority of well-paying jobs are in the cities of Wooster and Orrville, over 70 percent of Wayne County residents live elsewhere – making workplace access even more daunting for those without personal transportation.

The pilot program will focus initially on access to the work sites of partner employers along

the State Route 585 corridor and southwest Wooster industrial park. Transit vehicles will be provided by private sector partners, Wooster Transit and Gilcrest Transportation. The program uses specialized routing software to create affordable, fixed routes and on-demand vanpooling options which enable multiple users with different origins and destinations to access an efficient transit service. CAWM fills the role of dispatcher and partner/customer connector.

A reliable transit system also helps young people moving into the job market. Shifting trends have shown that many high school students choose not to obtain a driver’s license due to the cost associated with driver’s education classes, buying a car, or paying for insurance. The Rural Mobility Solutions program allows them access to internships required for graduation and to continued employment after.

To assist with the program, WCCF awarded \$25,000 from the **John Kaylor Memorial Fund**.

# LIST OF FUNDS

*J.C. and Gennie Johnston's commitment to WCCF has existed as long as the Foundation itself. As a young attorney, J.C. was responsible for creating the documents required for the Articles of Incorporation. The couple have been steadfast supporters ever since. With the creation of the **John C. and Gennie S. Johnston Community Fund**, their commitment to the Foundation will last in perpetuity.*

# SCHOLARSHIP FUNDS & RECIPIENTS

Scholarship funds help students to realize their dreams of a college education. In addition to scholarships that benefit high school seniors, there is a growing need to support post-high school educational opportunities for individuals who didn't finish their college educations, need to be re-trained, or are in advanced fields of study. The following funds of the Foundation awarded over \$652,000 in scholarships for the 2020-2021 academic year, to help the next generation of leadership:

Graduation ceremonies looked different this year due to COVID-19. Smithville High School hosted a parking lot event with students participating in a "drive thru" ceremony.

# GRANT APPLICATION GUIDELINES

## Guidelines

The Foundation makes grants only to organizations that are recognized by the Internal Revenue Code as nonprofit, tax-exempt, charitable organizations, including schools and churches; or to qualified governmental agencies. The Foundation does not make grants to individuals. All scholarship checks go directly to the schools where students are enrolled.

Unrestricted donations to the Foundation are added to the General Fund. Along with other Community Funds, these gifts allow the Board of Trustees to respond to innovative projects and the changing needs of the community. Charitable organizations serving the residents of Wayne County, Ohio are invited to apply for grants through our competitive grants process.

Application deadlines are March 1 and September 1 each year. The Women’s Fund accepts grant applications once a year, with a deadline on September 1. The deadline for GIVE 365 grant applications is March 1. Nonprofit organizations serving Wayne County youth may also apply to the Youth Foundation by February 1 each year. The application deadline for the Wayne County Children’s Resource Fund is September 1. To complete a grant proposal application, please visit **WayneCountyCommunityFoundation.org**.

*Thanks to the generosity of our donors, the Foundation distributed over \$6.67 million in grants and scholarships throughout Wayne County during the 2019-2020 fiscal year.*

# MEMORIAL GIFTS

## *Donald S. Buren 1938-2019*

The passing of Don Buren in August 2019 was a great loss to our community. Don touched many lives with his compassion for others, commitment to community, and personal generosity.

Don served the Wayne County Community Foundation as a Trustee from 1997 to 2009. He represented the NW Quarter of Wayne County and served as Chair of the Disbursement Committee. His leadership was instrumental during a time of significant growth. Don was named Trustee Emeritus in 2011 and continued to be actively engaged with the Foundation.

Don lived a life of gratitude, committed to serving others. He will be remembered for his deep faith, his big heart, and his service to our community. His legacy will live on through the *Don and Teara Buren Scholarship*.

# FINANCIAL STEWARDSHIP

*The goal of the Foundation's investment program is to preserve and enhance the value of donor gifts, build capital for the future, and meet community needs today. To accomplish these objectives, we maintain a diversified portfolio overseen by multiple managers.*

## Asset Growth

Asset growth is achieved through the receipt of new gifts and bequests, gaining positive net returns on our investments, and ensuring that our stream of grant awards does not exceed our available resources. As of June 30, 2020, the Foundation's total assets surpassed \$99 million for the first time. This increase in the Foundation's assets over the years since 1978 is detailed in the graph below.

At fiscal year-end, total assets were \$99.6 million (as detailed in the Financial Statements portion of this Annual Report). In addition, we added more than \$18.6 million in new gifts for the Foundation, including over \$13.5 million in permanent assets, during the 2019-2020 fiscal year.

## Investment Returns

Overall, our fiscal year ending June 30, 2020 resulted in an investment gain of 3.2%. The return rate is net of all investment and banking fees, except for WCCF's administrative fee (ranging from 0.5% to 1.0%, depending on type and/or size of the Fund). Below are the Foundation's net investment returns over one, five, and ten year periods.

1 Year	5 Years	10 Years
3.2%	4.8%	6.4%

## Investment Committee

The Foundation's Investment Committee is comprised of individuals with financial experience who establish policy, hire investment managers, and evaluate performance. In turn, the Investment Committee is advised by independent investment consultants, Clearstead Advisors, LLC of Cleveland, with regard to all aspects of the Foundation's investment portfolio. The Foundation uses The Commercial & Savings Bank for banking services and Fidelity Investments for custody services.

## Asset Allocation

A diverse portfolio is fundamental to WCCF's investment strategy, which aims to maximize investment returns while reducing volatility. The Investment Committee of the Board of Trustees, chaired by J. C. Johnston III, regularly reviews the asset allocation strategy.

## A New Milestone

*Since we will not be holding our annual dinner in October as we have done for decades, we are pleased to announce that shortly after the beginning of our July 1, 2020 fiscal year, the total assets of the Foundation reached \$100,000,000. This is the result of the assistance of many – staff, trustees and, most of all, our community of donors, past and present. We thank you for the trust and confidence you have shown in the Foundation.*
