LETTER TO OUR COMMUNITY

Dear Friends,

Wayne County Community Foundation began 38 years ago with a gift of \$1,000. Local leaders who incorporated WCCF were confident that the citizens of Wayne County would support an organization created to meet real needs within our community. Their confidence was justified. Today, the Foundation's assets exceed \$55 million, and more than \$63.5 million has been returned to the community in grants for an array of charitable programs, scholarships, and capital needs.

This Annual Report summarizes our year's activities, and spotlights Wayne County residents who have chosen to share what they have with others. You'll probably see some familiar faces within these pages. The great thing about WCCF is that it offers a variety of programs that enable individuals and businesses to achieve their philanthropic goals, and to create a lasting legacy for the causes closest to their hearts. We encourage you to read the Report and think of how you might strengthen your own involvement with the Foundation.

As WCCF has grown over the years, Trustees and staff members have worked together to help the Foundation fulfill its mission: "To provide philanthropic leadership to our community." With that in mind, we will continue to seek more unrestricted community funds which are the cornerstone of our grant making program. An initiative that addresses this need is our new GIVE 365 program. We're excited about its potential for directly engaging more people in grant making. Read about it in the "Ambassador Program" article on page 9.

The "leadership" charge has taken on additional meaning for us with the passing of Stanley C. Gault. Stan and his wife Flo were the first recipients of WCCF's

Friend of Philanthropy Award. The Gaults were the moving force behind dozens of public campaigns for non-profit agencies, and hundreds of acts of generosity that only the recipients knew about. Philanthropists like Stan Gault are rare. We will keenly miss his dynamic leadership and unflinching commitment to the well-being of his "home town".

Wayne County is fortunate to have many individuals and families whose generosity has significantly enhanced the quality of life in our community. This year's Friend of Philanthropy recipients, Greg and Kathy Long, exemplify the power of commitment to community combined with hard work and generosity. You can read their "Friend of Philanthropy" story on page 10.

In closing, we quote from Stan Gault's remarks on accepting the Friend of Philanthropy Award in 2013: "I challenge you to make philanthropy a significant part of your lives. You don't need great wealth to be generous. And you will find that just doing what you can do—whether it's a little or a lot—will bring rewards that far outweigh the monetary value of your gifts."

We thank you all for your contributions to the life of Wayne County Community Foundation. Come see us!

Sincerely,

Steve Matthew,
President,
WCCF Board of Trustees

Sara L. Patton,
Executive Director

COMMUNITY FUNDS

Put the full power of the Foundation to work for you!

When you establish an unrestricted community fund with Wayne County Community Foundation, your gift can address a broad range of local needs—including future needs that often cannot be anticipated at the time your gift is made.

Through our competitive grants process, we evaluate all aspects of community well-being: arts and culture, civic and community, environmental, health and human services, education, and more. The flexibility of your unrestricted gift enables your Community Foundation's Board of Trustees to respond to the community's most pressing needs, today and tomorrow.

Grants are made in the name of the fund you establish, creating your personal legacy of giving. You may fund your gift immediately or through your will or other estate planning strategy. If you want to help Wayne County and its residents thrive, and to make the greatest impact possible with your charitable dollars—now and for many years to come—a Community Fund is right for you.

THE RIPPLE EFFECT

A gift to a Community Fund can have an enormous impact.

The smallest pebble tossed into the depths of a still lake creates a large ripple. You, too, can make a ripple of significance that can impact a multitude of individuals.

Give

Your tax-deductible gift may be made to an existing fund or you may wish to create your own personal legacy by establishing a named fund of your own.

Invest

Your gift, along with others, is invested prudently for long-term growth, overseen by a professional investment advisory firm and an investment committee of local professionals, to provide resources for today and the future.

Engage

Nonprofit organizations serving Wayne County, Ohio, may apply for grants twice a year. Applications are evaluated for their impact on the quality of life in our communities. Selected projects are funded using the earnings from Community Funds.

Strengthen

The nonprofit projects and organizations that WCCF supports strengthen the community. The impact can be seen and felt throughout Wayne County. The life of a gift to a Community Fund is unending. Every year Community Funds provide resources that benefit us all.

THE POWER OF ENDOWMENT

Philanthropy that endures

At Wayne County Community Foundation, we understand the power of permanence. We believe that it's the key to ensuring that our community's future will be even brighter than its past. When you create a charitable fund through the Foundation, you can benefit the community forever with a permanent endowment. Your gift is invested for growth over time. Earnings from your fund are used to make grants that addresses community needs.

An endowment is a permanent fund, and it carries several advantages. An endowment will:

- Provide dependable, perpetual income to your chosen areas of interest—the arts, your house of worship, your alma mater or whatever cause you love
- Carry on your family's name by creating a permanent legacy
- Allow successive generations to continue family giving traditions

Through the Power of Endowment, we build a living legacy that reflects the intentions of those who constructed it. Endowed gifts build lasting financial strength and provide permanent support for the community—helping you do good work today and in the future.

ONE GIFT, MANY GENERATIONS

Consider how your endowment gift can grow! The following chart illustrating the Power of Endowment is based on an endowed fund established with \$10,000.

Assumes a 6.5% ROI. 1% administrative fee and 4.5% grant payout each year. This example is not a guarantee of return on investment.

YOUR INVITATION TO PHILANTHROPY

MAKING A DIFFERENCE

Wayne County Community Foundation helps thoughtful people like you make our community a better place to live, learn and thrive.

Philanthropy can be a complex endeavor. Our goal is to help you make the most of your philanthropy. Working with you and your professional advisors, we can create a plan to support your favorite organizations or causes now and into the future.

No other nonprofit organization in Wayne County helps you support the one—or many— aspects of our community you deem most vital. And no other organization in the County can continue this important work in your name long after you are gone.

BECOMING A DONOR

The Foundation offers many easy ways for you to give, get involved, and make a difference in our community. Our donors are a diverse group of passionate individuals who are dedicated to changing the landscape of our region for the better. Each of our donors has a particular story, vision or goal, but they all have one thing in common. They believe in the power of community giving, and we do too. Won't you join us?

GIVE NOW

Your gift to the Foundation allows you to support the causes you care about most and make a difference in our community. Giving to the Foundation is flexible: you can donate to an existing fund or establish your own. You can also choose to make a donation to a Community Fund, allowing the Foundation to meet the areas of greatest need. Whatever option you select, be assured that your dollars will be used exactly as you direct them. Your favorite causes will thank you for your generosity.

GIVE LATER

The Foundation offers many planned giving options. A planned gift is a charitable donation made during your lifetime but not available to the Foundation until sometime in the future. A planned gift can offer you financial advantages now while securing your charitable legacy. The Foundation offers various planned giving options. For example, you can...

- Name the Foundation in your will or as the beneficiary of IRA assets
- Transfer a life insurance policy, making premium payments tax-deductible
- Donate stock, real estate, or personal property

Your attorney, tax accountant, or financial advisor can assist you in determining what is best suited for your particular needs.

CREATE A FUND

We make it easy to establish a charitable fund that meets your personal needs. All you need is a simple fund agreement and your gift to open the fund. Most funds may be opened with a minimum gift of \$10,000; to open a new scholarship, the minimum is \$20,000. Your fund may be created with a current gift, or through a planned gift. Our professional staff is ready to meet with you to talk about your goals, and create a plan that matches your charitable interests and financial situation. Whatever your philanthropic goals, we have the flexibility and tools to help you reach them.

For Donors Who Would Like to Support Nonprofit Organizations

Donor or Corporate Advised Funds – A tax-advantaged, convenient way to organize your personal philanthropy or corporate giving program. You can support your favorite charities with added convenience.

Designated Funds – Created by the donor to support one or more specific organizations today or in perpetuity.

Field of Interest Funds – Support the issues you care about. You can give to human services, your church, the arts, education, or other nonprofit activities important in your life. The Foundation will carry out the purpose you choose, today and for generations to come.

For Donors Who Would Like to Support Education

Scholarship Funds – Donors often want to support individual growth through educational opportunities. By creating a scholarship fund, you can help support post-secondary education for high school graduates and non-traditional students.

For Those Interested in Building the Community

Community Funds – The needs of the community are difficult to anticipate many years in advance. Establishing a community fund provides broad support for the community's well-being, now and in the future. For more on Community Funds, see page 2.

For Nonprofit Organizations

Agency Funds – Nonprofit organizations can establish funds at the Foundation to access professional investment management and generate a predictable stream of annual income while the rest the Agency's investment grows.

*Each of our fund types may begin as an **Acorn Fund**. With their significantly lower minimums, these funds allow for younger families or seniors on fixed incomes to establish legacies on an installment basis. To learn more about establishing your fund at Wayne County Community Foundation, please call 330.262.3877 or email wccf@sssnet.com*

WOMEN'S FUND CONTINUES TO STRENGTHEN WAYNE COUNTY

From economic empowerment to fighting drug addiction, The Women's Fund continues to improve the lives of women in Wayne County. Through a partnership with the Noble Foundation, The Women's Fund was able to award grants to two area nonprofit organizations.

OneEighty, Inc. (formerly STEPS and Every Woman's House) was awarded \$15,000 for their "Women's Recovery Support Pilot Project." The project will enhance support to women who are completing addiction treatment programs—with special focus on those addicted to opiates. Elements of the program include employment assistance and coaching, literacy and educational support, and access to health care programs. The grant from The Women's Fund will focus on the health enhancement portion of the program.

Building on the success of last year's grant, the **Wayne County Common Good** will offer a series of more in-depth classes that will be open to any woman in Wayne County through their "Women Striving For Success" program. Classes will focus on health and fitness, personal financial management, effective parenting, career success planning, and professional development. In addition, the organization will be completing a "Train the Trainer" program in which select participants from the original program will be coached in how to become leaders for the various classes, run support groups, and serve as mentors. Wayne County Common Good will be awarded \$6,200 from The Women's Fund as a challenge grant. The Foundation will work with WCCG to implement a Campaign to match the grant \$2-to-\$1 in order to operate the program this year and to build a stronger base to sustain the program going forward.

Ashlie Pethtel of Wooster is changing her earning power. With help from **ABLE (Adult Basic & Literacy Education)** and a scholarship from the **HOPE Fund**, Ashlie received her GED and the very special honor of induction into the National Adult Education Honor Society!

She then went on to complete the **Women's Empowerment Program** offered through the Wayne County Common Good with a grant from **The Women's Fund** at WCCF. Ashlie is ready for her next big career move—a Bachelor's Degree in Social Work. She is enrolled full-time at Wayne College while working part-time to support her family. With renewed self-confidence, Ashlie is moving ahead with her career and setting a positive example for her young sons, Aiden and Conner.

MOTHER'S DAY INITIATIVE

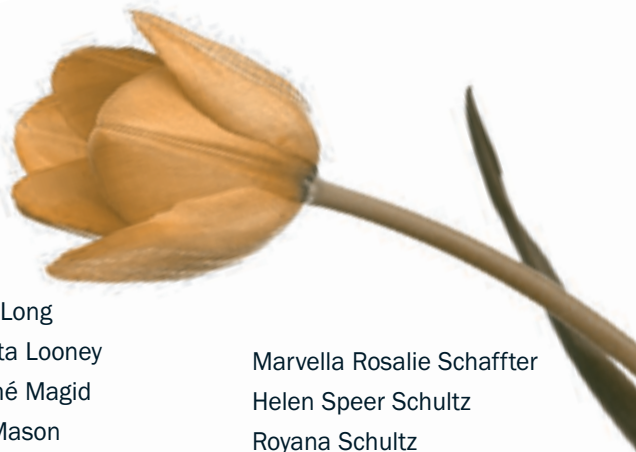

The Mother's Day Initiative gives donors an opportunity to honor the women who have made a lasting difference in their lives, while also making a difference in the lives of women and girls throughout Wayne County. A total of 170 women were honored or remembered at Mother's Day, with \$17,500 placed in The Women's Fund endowment. Gifts to The Women's Fund will generate dollars to award grants to nonprofit organizations serving Wayne County women...for generations to come.

While donors may contribute to the Women's Fund at any time and for any reason, the sole annual fundraiser of The Women's Fund is its Mother's Day initiative. A beautifully designed Mother's Day card is sent to the honoree the week of Mother's Day. If the gift is made to honor the memory of a special woman, a card is sent to the family.

Please see page 8 for a listing of those who were honored or memorialized this past year.

AMBASSADOR PROGRAM

Connecting to Local Communities

Established in 2012, the Wayne County Community Foundation Ambassador Program is a group of community leaders from across the County who are committed to leveraging Wayne County's philanthropic resources to improve the quality of life in our area.

An ambassador helps promote WCCF in the course of his or her daily activities. Being an ambassador means sharing information, spotting opportunities, and spreading the word about community philanthropy. Ambassadors are agents for awareness and creators of connections within their spheres of influence. Ambassadors help WCCF make the greatest impact by identifying needs in their local communities.

This year, Ambassadors have worked to establish a new program at the Foundation—GIVE 365. The concept is simple. Each member contributes \$365—a dollar a day—which is pooled with all other GIVE 365 members' donations to make Wayne County a better place, today and in the future. The program brings together emerging philanthropists and allows members to combine their charitable contributions with others to support nonprofits throughout Wayne County. The larger the membership of the fund, the greater the impact. And the program is open to anyone!

If you would like to learn more about becoming an Ambassador or a GIVE 365 member, please contact WCCF at wccf@sssnet.com or call 330.262.3877.

FRIEND OF PHILANTHROPY

Greg and Kathy Long

Greg and Kathy Long are lifetime Wayne County residents—and they would not have it any other way. In fact, Greg’s family roots go back nearly to the founding of Wayne County. During the first half of the 20th century, three generations of the Long family were charged with caring for the clock atop the Wayne County Courthouse.

Greg attended Wooster Township Elementary School and Triway High School before graduating from Kent State University. While home over winter break in 1969, Greg met Kathy Jones, who also had deep roots in the

community through her parents’ business, the Wooster Glass Company. Kathy began her career with the company when she was only thirteen years old, working summers and after school. She and Greg married in 1972 and together they began to make their own mark on Wayne County.

The couple was strongly influenced by Kathy’s parents, Ralph and Grace Jones, who instilled in them a strong ethic of community involvement—often telling them “If you want to make a difference, you need to get involved.” And get involved, they did!

As a Certified Public Accountant, Greg provides professional advice to many nonprofits. He has served as Treasurer for countless organizations, preparing tax returns and providing advice free of charge. Serving on the Board of Governors for Wooster Community Hospital, Greg lends his expertise to ensure the healthcare complex remains financially strong and that the top-rated hospital continues to serve the residents of Wayne County. Greg currently is the President of Habitat for Humanity in Wayne County, Inc., and he is a Trustee for the American Red Cross Lake Erie/Heartland Chapter, The College of Wooster, and the Kent State University Foundation.

Kathy serves on the Board of the Ralph R. & Grace B. Jones Foundation. The Foundation funds the Outstanding Teacher Award each year for Wooster City School District. Kathy is an Emeritus Trustee of OneEighty, Inc. (formerly STEPS and Every Woman's House) and is a founding member of The Women's Fund, an affiliate of Wayne County Community Foundation.

The Longs have taken active roles in major fundraising campaigns in the area, including The College of Wooster, LifeCare Hospice, Wayne County Historical Society, The Village Network, The American Red Cross, and United Way of Wayne & Holmes Counties.

Their list of community involvements is equally lengthy. As needs arise in the community, Greg and Kathy have been there to provide what's needed. They believe strongly in the missions of the organizations they support; and while supporting these organizations financially is important, you will also find them "in the trenches." It's not uncommon to find them volunteering—tools in hand—to strengthen the organizations they serve.

The Longs exemplify the true meaning of philanthropy. Together, Greg and Kathy have been active in the community for decades—

making a difference in the lives of many. They understand that a community is built and managed by those who live within it. As such, the couple takes a pro-active role in reaching out to other members of the community and encouraging them to become involved.

They learned from Ralph and Grace Jones "never to be afraid to give someone a helping hand"—whether in business or their community. Ralph and Grace left a legacy of memories, packed full of respect, charity, and laughter—a legacy Greg and Kathy have picked up and carried forward.

In establishing the Friend of Philanthropy Award, WCCF wanted to recognize the difference that individuals can make through personal commitment and leadership, taking into account the impact such individuals have on our community, and the role that their creativity and advocacy can play in a project's success. Greg and Kathy embody the very best of all these qualities, and have repeatedly shared them with the members of this community. We are forever grateful.

Previous Award Recipients

Stanley C. & Flo K. Gault, 2013

The J.M. Smucker Family, 2014

The Donald & Alice Noble Family, 2015

The Friend of Philanthropy Award was created to honor those who make a difference in our communities with their philanthropic activities—the giving of time, talent or treasure—for the betterment of the Wayne County area. It is presented each year at Wayne County Community Foundation's Annual Dinner. Jeanne Adams

JEANNE HEISE ADAMS COMMUNITY FUND

Harvard University

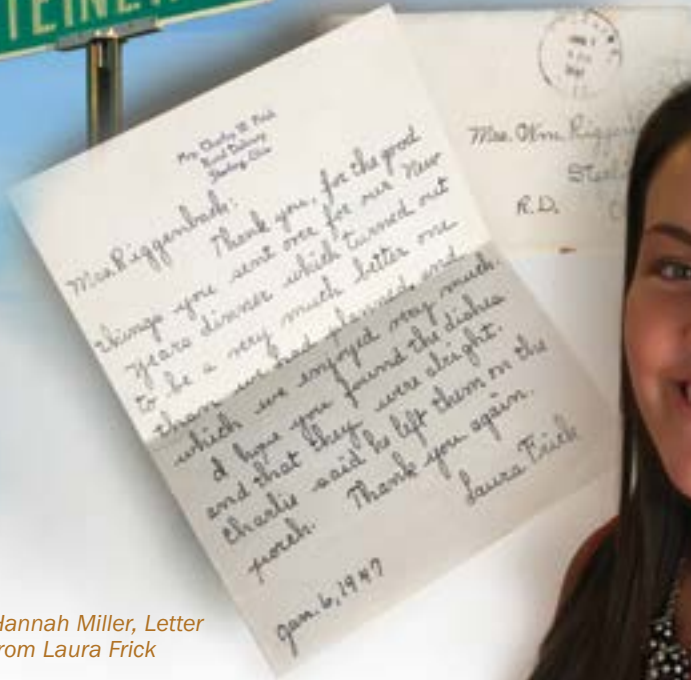

A lifelong Wooster resident, and the product of several generations of Wayne County families, Jeanne Adams was a trailblazer for women. She was among the very first women to earn a degree from Harvard in conjunction with a degree from Radcliffe College, the first woman elected to Wooster City Council, and the first woman salesperson for New York Life Insurance. Jeanne believed passionately that women had the same rights and capabilities as men. Her legacy lives on in the generation that now assumes there is no job or profession that cannot be performed by either gender.

Always active in her community, Jeanne was a founding member and past President of Wayne Center for the Arts. She was a longtime supporter of Wayne County Humane Society; served as Campaign Chair and Board Member of United Way of Wayne and Holmes County; was active in American Association of University Woman—Wooster Branch, League of Women Voters, Wooster Women's Service Club, and served her church, First Presbyterian, as an elder and a deacon.

Always a champion for those in need, she established the *Jeanne Heise Adams Community Fund* through a charitable bequest upon her passing in 2015. By including the Foundation in her planned giving, Jeanne has created a legacy that will support the changing needs of the community and continue to enhance the quality of life in Wayne County in perpetuity.

GENEROSITY COMES FULL CIRCLE

Hannah Miller, Letter from Laura Frick

When Martha Riggenbach decided to send New Year's dinner to Charles and Laura Frick in 1947, she could not have imagined she was "paying it forward" for her great-granddaughter.

Charles and Laura (Slemmons) Frick were married in 1906 and spent their entire lives in the Milton Township area of Wayne County, Ohio. The couple had a farm on what is now Steiner Road in Creston, and were active in their church and community. Laura passed away in 1956 at the age of 73. Charles had preceded her two years earlier. With no children or heirs of their own, Laura decided that their estate should benefit the community in which they lived and loved. Upon her death, the Laura B. Frick Charitable Trust was established at what is today PNC Bank in Wooster. The Trust provided charitable dollars for nonprofit organizations in Wayne and Holmes

Counties, as well as scholarships for students graduating from Norwayne High School. In 2006, PNC Bank partnered with WCCF to formalize the **Laura B. Frick Scholarship**.

During the 2016 scholarship selection process, the four-year, \$1,500 scholarship was awarded to **Hannah Miller**—great-granddaughter of Martha Riggenbach. Hannah, a Norwayne High School graduate, will be attending Kent State University to pursue a degree in Nursing.

An outstanding student, Hannah completed all necessary pre-requisites for the nursing program through post-secondary education while attending high school. In addition to maintaining a 3.98 grade point average and being named to the Dean's List at University of Akron—Wayne College, Hannah kept up a daunting extracurricular schedule. She was active in 4-H and FFA, was named the 2015 Wayne County Fair Queen,

served as President for the Norwayne Health Professions Affinity Community, oversaw the development of the County Line Trail App (available on iPhone and Android), is a published author (*W* is for Wooster: *A City's Celebration and History from A to Z*), and somehow still managed to find time for philanthropic endeavors—participating in the WCCF Youth Foundation in 2014 - 2015, volunteering and raising funds for various organizations in Wayne County.

After Hannah was notified of the scholarship award, her family found the thank you note, above, from Laura Frick and shared it with us. We are sure that Mrs. Frick and Mrs. Riggenbach would be very pleased to know that Martha's great-granddaughter was a recipient of a Laura B. Frick Scholarship.

NeoNatal Equipment, Aultman Orrville Hospital

NEONATAL TRANSPORT MONITOR SAVING LIVES IN ORRVILLE

Aultman Orrville Hospital is a 25-bed critical access facility which has served Orrville and the Wayne County community for more than 60 years, providing a full range of inpatient and outpatient services. The hospital was previously named Dunlap Memorial after its original benefactor, George T. Dunlap. A native of Orrville and successful businessman in the printing industry, Dunlap offered a large donation to the city of Orrville to build the hospital, which opened in 1951.

Offering an array of inpatient and outpatient services, Aultman Orrville combines close-to-home convenience with cutting-edge technology. As a Level 3 Neonatal Intensive Care Unit (NICU), the hospital is capable of caring for the smallest and sickest of newborn babies. This year, the hospital received a \$16,500 grant from the **Carl E. Congdon, Jr. and Susanna Congdon McIntyre Memorial Fund** to acquire a NeoNatal Transport Monitor, to assist high-risk and critically ill babies. For critically ill newborns, quality monitoring devices save lives and help ensure positive outcomes. In addition, the grant will cover the purchase of a hospital-grade Breast Pump with cart, for mothers to use for their infants in the NICU.

NAMI Wayne & Holmes Counties, new facility

NAMI WAYNE & HOLMES COUNTIES

Providing Support for Recovery in a Safe Environment

The local affiliate for the National Alliance on Mental Illness, **NAMI Wayne & Holmes Counties** offers support for individuals with mental illness and their family members; veterans; and suicide survivors. NAMI is committed to providing education and fostering group discussion of recovery strategies in a safe environment. Founded in 2002, the organization works tirelessly to bring together nationally-recognized educational programs and peer-supported activities for local residents.

Board and staff of NAMI Wayne & Holmes Counties took a major step to strengthen the organization and its future when they established two funds at WCCF. The **NAMI Wayne & Holmes Counties Capital Fund** was a conduit for funds raised to purchase and renovate a new facility on Back Orrville Road—making them the first NAMI affiliate to own the building from which they operate. The new facility was a joint project with Anazao, a nonprofit organization that provides mental health and substance abuse treatment to the local community, who will be sharing the space. In addition, the **NAMI Wayne & Holmes Counties Operating Reserve Fund** enables the organization to build a cash reserve while generating a stream of income for future operations. The Operating Reserve Fund also provides a way for NAMI's donors to give complex gifts, such as stocks, life insurance, or personal property.

AUDREY BEAVERSON

*Audrey Beaverson,
with her beloved dog, Rainbow.*

Kenneth and Audrey Beaverson were married in 1952. After years of working and saving, the couple was able to purchase three semi-trucks and begin their own small business. Always partners in everything they did, Ken drove the trucks while Audrey managed the bookkeeping. In 1975, the couple purchased Wooster Motor Ways and substantially grew the business through the 80's. Upon Ken's untimely passing in 1984, Audrey continued to manage the business for another three years. When the trucking company was sold in 1987, Audrey used the proceeds to establish the Beaverson Foundation to carry on the giving spirit

of her late husband. After personally managing the private foundation for nearly 30 years, Audrey decided it was time to have someone else manage the administrative duties. She established two funds at WCCF. The **Beaverson Foundation Fund** allows Audrey to maintain commitments to the charitable organizations that she cares about most. By establishing the **Beaverson Foundation Community Fund**, Audrey has given WCCF Trustees the flexibility to address the changing needs of Wayne County, now and in the future.

PLAYLAB CREATES FUN, SAFE PLACE FOR STUDENTS AND COMMUNITY

As some 500 students return to classes at Cornerstone Elementary School in the Fall, they will be reminded every day that their community cares enough to provide them with the best learning and play environment available. After three years of planning and fundraising—and lots of hard work, sweat, and imagination—Cornerstone PlayLab has come to fruition. The PlayLab is focused on providing a recreation area that is accessible to all students.

The **Cornerstone Elementary School PTO** took on the hefty task of rebuilding the playground, much of which had not been updated since the school took over the former Wooster High School building more than 20 years ago. Since that time, the population of the school has changed significantly: enrollment has increased, the student body is now younger, and there are several children with special needs. Utilizing Wayne County Community Foundation, the PTO established the **Cornerstone Playground Rebuild Fund** to facilitate their fundraising efforts. And those efforts paid off! The committee raised over \$623,000—more than their initial goal. Those additional funds will provide an endowment for upkeep and repair of the PlayLab long into the future.

The new playground has just about everything! From smaller-scale equipment for preschoolers to a full-sized merry-go-round with harnesses; from an enhanced nature area to study wildlife to a geology garden complete with fossil covered limestones, the PlayLab meets 21st century needs. The entire PlayLab is ADA accessible, allowing students who have never before been able to go down a slide to join in the fun! While the PlayLab creates a playground and outdoor learning spaces for the children at Cornerstone Elementary, it will also serve the Wooster community at-large—allowing families to enjoy the play area during non-school hours.

Triway High School Band

TRIWAY LOCAL SCHOOLS DRUM UP SUPPORT FOR NEW INSTRUMENTS

Nearly everyone enjoys music, whether by listening to it, singing, or playing an instrument. But despite this almost universal interest, many schools have had to discontinue their music education programs due to cutbacks in state and local funding. But **Triway Local Schools** realize the importance of music education and are investing in their programs—living up to their mission of continued pursuit of excellence in education and to provide the tools necessary for each student to maximize his or her learning potential.

While the school system has a flourishing vocal and instrumental music program in grades 5 through 12, much of their equipment is in need of replacement. In fact, the average age of the high school band's inventory of instruments is 21 years—older than any of their students! The Triway Music Boosters took action, kicking off a 5-year, \$100,000 fundraising campaign to purchase new instruments. As part of that campaign, the organization submitted a proposal to WCCF's competitive grant cycle. As a result, the Foundation awarded Triway Local Schools \$15,000 from **an anonymous Community Fund**. The grant will provide for six new sousaphones for the band, as well as a new piano for the choral programs.

While this grant is an investment in the music program at Triway Local Schools, it is also an investment in the future. Research over time has shown that access to a quality music education engages students in the classroom, leads to increased graduation rates, improves math and reading skills, develops critical thinking and leadership skills, and helps develop well-rounded individuals.

Rittman Recreation Center/Pool Area

RECREATION CENTER TO BRIGHTEN UP

Constructed in 2001, the **Rittman Recreation Center** offers fun and affordable recreation programs that promote the health and well-being of the Rittman community and its surrounding areas. The facility consists of a 25-yard lap pool, a therapeutic special needs pool, a full court gymnasium, a fitness center, and a community room. In addition to having over 1,100 active memberships, the facility is used by special interest and civic groups and a variety of non-profit organizations.

After 15 years of service to the community, the Rittman Recreation Center was due for several upgrades, including updated lighting throughout the building. When they received a donation for lights in the weight room, the Center recorded a substantial decrease in electrical usage, longer bulb life, and a brighter environment for their patrons. With clear evidence of improved efficiency and cost effectiveness, the Center applied to the Foundation during the Spring Competitive Grant Cycle to update the lighting in the pool area—an area of particularly heavy use for the Center, especially among young children and senior citizens in the Rittman area.

The Foundation awarded a total of \$18,600 to the City of Rittman/Rittman Recreation Center for this project through the **Andrew Berkey Fund** and the **John G. Taggart Community Fund**. In addition, the Rittman Recreation Center has secured an in-kind donation for the installation of the lighting and will use other fundraising dollars to cover the remaining cost of the project.

SCHOLARSHIP FUNDS & RECIPIENTS

Scholarship funds help students to realize their dreams of a college education. In addition to scholarships that benefit high school seniors, there is a growing need to support post-high school educational opportunities for individuals who didn't finish their college educations, need to be retrained, or are in advanced fields of study. This year, the Foundation awarded over \$509,000 in scholarships to help the next generation of leadership.

OUR GRANTEES

On the following pages is a list of organizations that received grants from our discretionary, donor advised, agency, or

designated funds. It is through the generosity of the many donors who established these funds that these grants are made.

American Red Cross–Wayne County Chapter

The American Red Cross provides compassionate care to those in need. In addition to their disaster relief efforts, the Red Cross provides a number of health and safety services—including expert training and certification in lifesaving skills such as CPR.

Orrville Area Boys & Girls Club

The Orrville Area Boys & Girls Club fills a critical need by helping area youth build character through everyday leadership and guidance in behavior and attitude. Most importantly, OABGC shows youngsters that someone cares and wants them to realize their full potential as productive, responsible, and caring citizens. Through their after school and summer programs, OABGC serves over 1,200 youth in Wayne County.

GRANTS APPLICATION GUIDELINES

GUIDELINES

The Foundation makes grants only to organizations that are recognized by the Internal Revenue Code as nonprofit, tax-exempt, charitable organizations including schools and churches; or to qualified governmental agencies. The Foundation does not make grants to individuals. All scholarship checks go to the schools where the student is enrolled.

Unrestricted donations to the Foundation are added to the General Fund. Along with other Community Funds, these gifts allow the Board of Trustees to respond to innovative projects and the changing needs of the community. Charitable organizations serving the

residents of Wayne County, Ohio are invited to apply for grants through our competitive grants process. Application deadlines are March 1 and September 1 each year. The Women's Fund accepts grants applications once a year, with a deadline on March 1. Nonprofit organizations serving Wayne County youth may also apply to the Youth Foundation by February 1 each year. To complete a grant proposal application, please visit: WayneCountyCommunityFoundation.org.

Thanks to the generosity of our donors, the Foundation distributed over \$5.4 million in grants and scholarships throughout Wayne County during the 2015-2016 fiscal year.

LEGACY SOCIETY

Give to what matters... even 100 years from now

His legacy lives on. Leonard Schnell 1923-2011

Leonard Schnell was a lifelong farmer and had served his country during World War II with the Army Air Corps in the European Theatre. He dedicated himself to the Wayne County community, serving as president of the Ohio Farm Bureau, director of Nationwide Enterprise, director of the Apple Creek Bank, and as a member of the Wooster Community Hospital Foundation. He excelled in Rotary, where he served as the Wooster Club's president and Rotary's District Governor. He was a member of Zion Lutheran Church in Wooster for 64 years. As a charter member of the Wayne County Community Foundation, Leonard understood the importance of Community Funds in addressing a wide range of ever-changing community issues. Through a generous bequest, Leonard established the **Leonard Schnell Community Fund** upon his passing in 2011.

When you remember your community, favorite cause or beloved nonprofit organization in your will, you support what you treasure, forever. You can tell us how you wish your gift to be used, or leave an unrestricted bequest that will tackle community problems as they emerge.

Even a modest bequest will grow, substantially, under our stewardship, within a few decades. At the same time, your generosity will generate ever-increasing grants to the cause or community you specify.

The Legacy Society recognizes individuals who have made plans to leave a gift to the community in partnership with the Foundation. This gift may be through estate plans, written wills, including the Foundation as a future beneficiary of a qualified retirement plan or IRA, insurance policy, remainder trust, Charitable Gift Annuity, or other similar planned gift.

We would like to acknowledge all those who have plans to leave a WCCF legacy to the community. Please talk with your professional advisors and us to find out how easy it is to leave a lasting mark on what matters to you.

We gratefully acknowledge the compassion, generosity and foresight of our Legacy Society members:*

Wilmer Dean Chance

1941-2015

Wayne County lost a legend this year when Dean Chance, former Major League Baseball player, passed away at age 74. Dean was a two-time All-Star who won baseball's Cy Young Award as a 23-year-old right-hander for the Los Angeles Angels in 1964. Just two months before his passing, Dean was inducted to the Angels' Hall of Fame. He's also a member of the Wayne County Sports Hall of Fame and the Ohio Basketball Hall of Fame.

*Gifts in memory of Dean will benefit the **Roy Bates Scholarship Fund**. Established by Bates in 1993, the Bates Scholarship has awarded more than \$300,000 to Wayne County, Ohio, high school seniors. During his lifetime, Dean worked tirelessly to honor his former high school baseball coach as the chair of the scholarship committee. Dean's leadership will be greatly missed.*

WAYNE COUNTY COMMUNITY YOUTH FOUNDATION

Giving youth a voice

*Ferenc M. Relle, Jr.
Youth Foundation Advisor*

The mission of the Wayne County Community Youth Foundation is to give youth a voice to provide financial and human resources to projects and programs that benefit youth in Wayne County. A component fund of WCCF, the Youth Foundation was established with the help of generous donors in 2012 to provide educational and practical experiences in philanthropy for area high school students.

Members meet monthly during the school year. They distribute grants to youth service groups, select local scholarship winners, and work on teambuilding and leadership activities with other members. Members also participate in additional service projects throughout the year, selected by them to improve the quality of life for youth in Wayne County.

This year, under the advisement of Ferenc M. Relle, Jr., 32 Wayne County high school students gained valuable leadership experience, while learning more about local charitable giving and how investments grow charitable funds. They met with local philanthropists and also evaluated grant requests from organizations serving Wayne County youth.

FINANCIAL STEWARDSHIP

The goal of the Foundation's investment program is to preserve and enhance the value of donor gifts, maintain capital for the future, and meet community needs today. To accomplish this goal, we sustain a diversified portfolio overseen by multiple managers.

ASSET ALLOCATION

A diverse portfolio is fundamental to WCCF's investment strategy, which aims to maximize investment returns while reducing volatility. The Investment Committee of the Board of Trustees regularly reviews the asset allocation strategy.

Returns for fiscal year ended June 30, 2016, reflect the volatility of the markets, generally, as well as a sub-par performance by our alternative and international investments. The return rate of -1.31% is net of all investment and banking fees, except the WCCF's administrative fee of approximately 0.06%.

ASSET ALLOCATION MODEL

Large Cap Equities	20%
Mid Cap Equities	5%

ASSET GROWTH

Asset growth is achieved through the receipt of new gifts, bequests, and life income gifts; gaining positive net returns on our investments, and ensuring that our stream of grant awards does not exceed our available resources. At fiscal year end on June 30, 2016, our total assets were \$55.4 million. In addition, we added \$3.7 million in new gifts for the foundation, including \$1.1 million in permanent assets during the 2015-2016 fiscal year.

INVESTMENT COMMITTEE

The Foundation's Investment Committee is comprised of individuals with financial experience from the community who establish policy, hire investment managers, and evaluate performance. In turn, the Investment Committee is advised by independent investment consultants with regard to all aspects of the Foundation's investment portfolio. For the past eleven years, the committee has been supported by Legacy Strategic Asset Management of Wells Fargo, located in Hudson, Ohio. Beginning in the 2016-2017 fiscal year, the Foundation has engaged the services of Hartland & Co. of Cleveland. Our custodial bank is FirstMerit Bank, now part of The Huntington National Bank, in Wooster.
